Needville, TX 77461**

GET OUTSIDE and explore the natural wonders of the park. See nature in ACTION! games, crafts, songs, and snacks.

June 09 – Baffling Behavior – Animals do the strangest things. Find out what & why.

June 16 – Owl Odyssey – Special guest Mary Ann Weber from the Houston Audubon Society presents live owls and owl pellet dissection.

June 23 – Getting Your Bearings – Learn to use a map & compass to find your way.

June 30 – Natural Defense – Discover different ways animals defend themselves.

July 07 – Pond Life – What lurks beneath the surface of a quiet pond? Use microscopes to view these “micro-monsters”.

July 14 – Insect Inspection – Explore the sometimes bizarre world of insects. Presented by the Fort Bend Master Gardeners.

July 21 – First Aid – Learn from a certified Red Cross First Aid Instructor.

July 28 – The Power of Water – Learn how water affects everything we do.

August 04 – Amphibian Watch – Discover the fragile world of frogs & their relatives. Presented by special guest Jaime Gonzales, Community Education Manager, Katy Prairie Conservancy.
