Needville, TX 77461**

GET OUTSIDE and explore the natural wonders of the park. See nature in ACTION! games, crafts, songs, and snacks.

June 7 – Spectacular Spiders – Learn what makes a spider different from an insect.

June 14 – Our Feathered Friends – Discover birds from their beaks to their feet.

June 21– Forest Features – Explore trees and creatures that live in & around them.

July 12 –The Tale of Tracks – Learn to identify animal tracks.

July 26 – Reptile Relatives – Study the relationship between alligators & snakes.

August 2 – Leapers & Hoppers – Frogs & toads are alike but different in many ways.
